Ontario's Vaccine Passport – Effective September 22, 2021

This policy comes directly from the Proof of Vaccination Guidance for Businesses and Organizations under the Reopening Ontario Act (as per section 2.1 of schedule 1 of Schedule 1 to O.Reg. 364/20:Rules for Areas at Step 3 and at the Roadmap Exit Step, under the Reopening Ontario A Flexible Response to Covid-19 Act 2020).

- Supernova Gymnastics Club will require Guest/Visitors aged 18 or older, provide proof of their full vaccination status.
- Supernova will only be accepting Medical Exemption under ROA Act. We will not be permitting entry for any other exemption reason under the ROA Act.
- Masks will remain mandatory regardless of vaccination status
- All youth 17 and under who are participating in a program at Supernova Gymnastics Club will be exempt from the passport program but will be subject to our daily screening policy upon entering the facility. Please continue to use the Ontario.ca School Screening (QR Code available on our front door).
- Safety of the children is our number one priority, and Supernova Gymnastics Club will continue to follow the guidance and mandates rolled out by the Province of Ontario, and our Durham Regional Public Health. Please be patient and kind to our staff as we learn and navigate this new addition to our screening procedure.

All patron-guests ages 18+ entering our facility (accompanying a Kindergym to view, and/or participating in a Parent & Tot “Holding Hands class), or athletes over age 18, will be required to provide proof of their vaccine receipt showing they are fully vaccinated with a piece of Government issued ID.

- If patron-guests 18+ do not wish to disclose their status or state they are not vaccinated, they will not be permitted entry to Supernova Gymnastics Club.. For those registered Kindergym (ages 3-5) the parent may notify us that Cartwheels is to be a ‘caregiver’ for their Kindergym participant and not enter our viewing area themselves. Programs for our NovaGym Recreational Boys and Girls (ages 6+) will continue to be drop-off/no viewing so this policy does not currently affect your registration.
- If the patron-guest over 18 years, chooses not to disclose and is not open to assigning someone to be a caregiver (for Kindergym)– they will not be permitted entry. In this instance, pro-rated refunds will be issued for Supernova Gymnastics Club programming. Refund requests will be prorated to refund classes not yet taken. We do not collect or record your status ahead of time. We will require it to be shown for entry as of Wednesday September 22, 2021.
